Dear Mr. Caton,

Thank you for your cooperation during the Quality Assurance (QA) Capability Survey conducted at your facility on February 12, 2015. It has been determined that your company complies with our Qualified Suppliers List (QSL) Criteria and Provisions. M3 Technology (CAGE Code: 1RUV8), is hereby approved to be listed as an approved QSL distributor for class 3 threaded fasteners, effective March 20, 2015. This qualification is based on the review of your quality processes and the result of the aforementioned survey.

This qualification term shall expire in three years (March 19, 2018). Please see our QSL Criteria and Provisions for details about the commodity your company is approved to distribute on our QSL home page at <https://www.troopsupport.dla.mil/hardware/technical/qsl.asp>. Also, please keep in mind that audits may be conducted at any time, either announced or unannounced.

If you have any questions, I can be reached by telephone at (215) 737-9020 or via email at Alonzo.miller@dla.mil. Thank you for your participation in the QSL program for distributors.

Sincerely,

A handwritten signature in black ink, reading "Alonzo Miller", is positioned above the typed name.
