M3 Technology Overview

Aerospace & Defense Solutions

Company Highlights

- Woman Owned Small Business

- Aerospace & Defense Solutions Provider

- Inventory & Supply Chain Management

- ~$30 M Revenue Annually

Markets we Serve

- US Government & Allies

- Prime & Subcontractors

- Commercial Aviation

- Industrial Applications & Electronics Components

Facilities and Security

Information Technology

- AS 9120 Certified QMS

- ISO 9001 Certified QMS

- ANSI-ESD S20.20

- Delegated Quality Responsibility from Leading OEMs

Sustainable Profitability

Customer Satisfaction

Quality Product

On-time Delivery

Quality Management Objectives

- Counterfeit Detection, Prevention and Elimination Measures Based on IDEA 1010, AS 5553, AS 6081, AS 6174
- FOD Prevention System in accordance with AS 9146
- AS 9102 FAI Inspection Capable

Hardware Product Lines

Products

- Bearing
- Bolts
- Bushings & Spacers
- Clamps
- Electromechanical
- Fittings
- Hinges
- Inserts
- Nuts
- Pins
- Rivets
- Screws
- Seals
- Springs
- Studs
- Washers

Services

- Point-of-Use Supply
- Kitting
- Just-in-Time
- Bin Stocking
- Logistical Management
- Rapid Response Quoting
- Commercial & Military Packaging
- Dedicated Quality Control & Product Support

M3 TECHNOLOGY

Chemical Product Lines & Inventory Solutions

Products

- Abrasives
- Adhesives & Adhesive Films
- Cleaners & Degreasers
- Corrosion Protection
- Hydraulic Fluids
- Lubricants
- Oils, Greases & Fluids
- Paints
- Silicones
- Tapes

Value Added Services

- Disposal Services
- FAA & DOT Approved
- Hazmat Packaging
- Logistical Management
- Point of Use Supply
- Shelf Life Management
- Rapid Response Quoting
